Herr Wallaces Handbücher der deutschen Grammatik: Student Version: The Basics (Herr Wallaces Guides to German Grammar) (Volume 1) Mr. Patrick Wallace

This book is designed to serve as an introductory grammar handbook for students of German of all ages. It provides meaningful explanations of important grammar concepts and verbs that all German learners should know. Each lesson is followed by exercises to test what you have learned and an answer key is provided. It is designed as a stand alone manual or to be used with other resources or a class. It is student friendly and the grammar concepts are presented in a logical order. Indeed, it is the order in which I present them in my classes to my American students. - Herr Wallace
