Here is a simple way to make your lover more attentive to you: Sit before a dying fire and gaze into it. Focus your mind on your lover. Have a small basket of laurel leaves between your knees. With your left hand, take some out and toss them into the fire. As they burst into flame, chant out loud the following:

*Laurel leaves that burn in the fire,
Draw unto me my heart's desire.*

When the flames have died down, repeat this two more times. Within twenty-four hours your lover will come to visit you.

There is more to this book than just getting a lover. This book also gives you magical techniques to keep a lover once you have him or her. Also, Gypsy love magick is about the family.
