The Secret Behind the Cross and Crucifix Nwaocha Ogechukwu

If you're a Dan Brown fan, you'll want to read, *The Secret Behind the Cross and Crucifix*. Author Nwaocha Ogechukwu has written an easy to read, enlightening and academically sound book regarding the symbolism and meaning of the cross in relation to religion. Ogechukwu gives historical accounts of Christianity's cover up of what the cross truly is: a satanic symbol. "For centuries after Christ, the church and other religions that use cruciform symbols have misrepresented the physical nature of Christ's death with a satanic symbol (cross), and a pagan idol (corpus). This secret has been concealed by the church for centuries after Christ." Ogechukwu's research leads to a stunning conclusion as it explores to understand the real nature of Christ's death, religion's role in the symbolism, and to release humankind from the "painful knowledge bondage" of cruciform propaganda. Nwaocha Ogechukwu is a graduate of medical science, member of the Royal Institute of Philosophy, and a researcher in philosophy, religion, history, and psychology. Nominated as "One of the Great Minds of the 21st Century," by the American Biographical Institute, Mr. Ogechukwu lives in Nigeria. *The Secret Behind the Cross and Crucifix* is his second novel. He is currently working on his third book and fourth books.
