The Storm Maker Sid K

There are those who dream of reviving an ancient empire and one will dare hatch a secret plot to this end by starting the construction of a 'Storm-Maker': a super-weapon that can create hurricanes and tornadoes. And he will have the support of elite ranger units and spies who share his vision.

They will stop at nothing to bring their plot to fruition. They will rob banks, they will kidnap scientists and they will engage in massive gunfights with anyone who stands in their path.

But there are those who will confront this mad scheme at great risk to their own lives.

Top Detective Sayett who has been assigned the out of control bank robbery cases, rising politician Slyntya Karwyk who is appointed to oversee the investigation and her husband who is a national hero: Colonel Sthykar of the Mountain Army.

As their investigation turns deadly with ambushes and kidnappings, the dream of the plotters stands on the verge of becoming a reality. Boss Hantex's Storm-Maker is rapidly approaching completion and if it goes live it will unleash the mother of all hurricanes - the likes of which has never been seen before.

The only way to stop it maybe a helicopter attack right through the Eye of the Storm!

Note: Author created maps and drawings in the appendix provide helpful illustrations.
