**Rule 1 - No kissing on the first date.**

**Rule 2 - No fooling around until you're engaged.**

**These are the rules Eleni Taylor makes all of her clients follow. And Eleni is a stickler for rules.**

Eleni never wanted to marry a rich man — she deals with too many of them every day. As the CEO of Million Dollar Matchmaking, she's sick of dealing with millionaires who try her patience and only want trophy wives.

On the business front, things are going well. Earnings are high, clients are steady, and MDM has snagged its first big fish — billionaire Josh Everett.

Eleni thinks Josh will be just like all of her other clients — snobby, spoiled, and irritating. To Eleni's surprise, Josh isn't like that at all. True, he has some alpha male qualities. But he's also down-to-earth, and he keeps up with Eleni's sarcastic sense of humor.

When the evening of Josh's matchmaking event arrives, nothing goes quite as planned... thanks to some meddling from Eleni's hopelessly romantic sister.

Soon, Eleni finds herself on a whirlwind destination date to Hawaii. After all, she agreed that the woman Josh chose would go on an island adventure. As a million dollar matchmaker, she could hardly disagree with her client.

But with a gorgeous billionaire bringing on the romance, it gets hard for Eleni to draw the line between business and pleasure. Will she be able to follow her own rules... and will she even want to?
