The Power of Persuasion (Triad Series Book 2) Kate Pearce

Ex super-soldier and telepath Captain Ian McNeill isn't expecting his job as base commander to a bunch of scientists to be exciting, let alone terrifying. But after meeting Neeve, a Pavlovan female and saving her from a bunch of Etruscan extremists, he's fairly certain his life will never be the same again.

Neeve can't believe she's found a mate from Earth who has no understanding of the concept of a bonded telepathic triad. Can she convince him to return to Pavlovan, meet her exalted but complicated family and finally convince him that adding a third to their bond will be the best decision he's ever made?

Book two in the Triad series of erotic science fiction romance.

Warning: contains erotic sexual content involving one woman and two men.
